

Parents:

Rising Juniors and Seniors wishing to take dual enrollment classes for the 2018-19 school year need to apply now. The deadline to apply is June 15. Tentatively, English composition and American Government will be the classes offered and all students pursuing an advanced diploma must take these classes. The approximate cost per class is \$300.00, plus a minimal application fee. Students who took dual enrollment classes this school year do not need to reapply. Students will receive 3 college hour credits per course, in addition to the credit received from Edgewood.

To apply, go online to [www.Faulkner.edu](http://www.Faulkner.edu) and click on "Admissions". Next, click on "Traditional Undergraduate", "Apply Online" and then click "Dual Enrollment". Once you have applied, please notify me so a transcript and letter of recommendation can be sent to Faulkner.

Please let me know if you have any questions.

Susan N. Montgomery  
Assistant Head of School
