Re: Driver Education Course

We will offer a Driver Education class at Edgewood Academy beginning May 29, 2018. The cost will be \$275.00 per student. The classroom phase will be 9:00 to 11:00, May 29th, 30th, and 31st and June 5th, 6th, and 7th. Scheduling is very flexible due to camps and family vacations so just call for information. The driving phase will be performance based and will last several weeks. Your student will come to school only on the days he/she is scheduled to drive. The course will be taught by a certified instructor and will meet SDE guidelines. All in-car instruction will be adjusted to the student's work and summer activities. The driver education vehicle will be furnished by the instructor and will be fully insured for Driver Education students. All students should be at least 15 by July 20, 2018. If you would like to enroll your student(s), please sign the permission slip and return it to the school office by May 18th. The course will be limited to the first 20 students that sign up.

We will have a parent meeting on Wednesday, May 2nd at 6:00 p.m. in Room 13 in the high school building. Please make plans to attend.

Students will have the opportunity to take the road test during this class (to receive yellow card) which will enable students to present this card to the DMV to receive their driver license.

My student, _____, has my permission to take the Driver Education course. My check for \$275 is enclosed. Make checks payable to John Mabry. Please contact John Mabry at 334-239-6214 if you have questions or concerns.
