

Lady Wildcats Basketball

August 25, 2017

Parents of Girls in Grades 6-12

We had our sign-up sheet up for Girls' Basketball this week; I want to make sure I'm not missing anyone before I start planning the season.

If your daughter is interested in playing on the middle school girls' team and hasn't signed up yet, please let me know quickly by emailing jadams@edgewoodacademy.org or have them come by my classroom to get on the list. We do not plan to cut for the middle school team, but we need to be sure we have enough interested girls before finalizing their schedule.

If your daughter is interested in playing JV basketball, please tell her to see me and make sure she's signed up; because we do not have unlimited uniforms, we may need to cut for the JV girls, but won't know until I have a final number of interested girls.

If your daughter is interested in playing varsity, I assume she has already signed up with me. If not, let her know she needs to see me as quickly as possible.

On Wednesday, August 30, I'll cut off the signup and set tryout / evaluation dates (if necessary).

I'm looking forward to the season, and as always: thank you for trusting me with your children.

Jay Adams
